

Wiley Hall

Masonic Care Community
Utica, New York

Currently under construction, Wiley Hall is an 80-bed, 83,000 s/f Assisted Living Adult Home located in the Masonic Care Community in Utica, NY. Designed with a residential feel in mind, each resident room and even the public spaces are furnished to give the building a sense of home. Intermixed throughout the building are public lounges, an activity center, as well as game and garden rooms to keep the residents active and provide a social environment. In addition to these public spaces the building is also equipped with a full service kitchen and large dining room. The dining room is large enough to seat every resident including guests, whether its simply for a meal or to catch a movie on the large projection screen inside. Other design features include residential laundry facilities on each floor, a library and gift shop, resident care facilities as well as a salon & barber shop.
